What is the Team Challenge?

The Team Challenge is fun and fresh new competition format. Athletes compete as Teams and by Levels. Your club will only need a minimum of 2 athletes in the same level to comprise a team. If you do not have a minimum of 2 athletes from your team in a specific level, individual athletes may compete, although will not be eligible for a Team award. All athletes regardless of age or gender are on the SAME team! For example, your Level 5 tumbling team athletes will compete against other Level 5 tumbling teams from other clubs in the Midwest.

How does my team win?! **New Format!**

The total score for each team will be divided by the number of members on the team. Teams must have a minimum of 2 athletes present to compete in order to be eligible for a team award. The team with the highest average score will win!

New!

Team of minimum of 2 athletes – no scores dropped

Team of 3-5 athletes – lowest 1 score dropped

Team of 6-10 – lowest 2 scores dropped

Team of 11-15 – lowest 3 scores dropped

Team Banners will be awarded for 1st, 2nd and 3rd place teams with team awards given to teams placing 4th through 10th. In the event of a tie, the team with the highest individual score will win the tie breaker. Each athlete will also receive a 2018 Team Challenge t-shirt.
